Performance Phase

LCB TRAINING

Coach Broc • Player Development Program

Program Overview

Phase 3 brings everything together at game speed. Workout A focuses on max-effort timed drills and baseball-specific movement patterns. Workout B clusters are the most demanding yet, combining full-speed sprints with reactive and lateral work back to back.

Program Structure

Workout A: Game-speed application, timed agility drills, and reaction work.

Workout B: High-intensity clusters at full effort with minimal rest.

Train 2x per week alternating A and B. Program complete after Week 12.
