Coach Broc • Player Development Program

Program Overview

Phase 2 builds on the foundation you established in weeks 1-4. We introduce light resistance, single-leg movements, and more challenging cluster combinations. Workout A continues straight sets with progressively heavier loads. Workout B clusters get more demanding with bigger movements.

Program Structure

Workout A: Straight sets with increasing reps and optional light resistance.

Workout B: Clusters combining strength and explosive movements back to back.

Train 2-3x per week alternating Workout A and B. Phase 3 (Weeks 9-12) unlocks after 60 days from signup.
