Online Training (Optional)

Between sessions, the LCB Training online membership at lcbtraining.com is a helpful in-season and off-season resource to keep development going on their own schedule. The platform includes a full video drill library (hitting, fielding, mindset), 8 downloadable workout programs, bonus guides, and optional remote 1 on 1 coaching with personal feedback from Coach Broc. Online membership is separate from this in-person proposal and can be added at any time.

A Note From Coach Broc

Brian, I am looking forward to working with your players and helping them grow as hitters and athletes. Thank you for trusting LCB Training with their development. If you have any questions before we get started, please reach out anytime.
