

Player Evaluation Report

"Work Hard. Be Memorable."

Lucas Heinz | Northwest Travelers 12U White | September 16, 2026

Strengths

- Athletic, powerful frame with excellent hitting posture and a natural hip hinge
- Strong lower half discipline -- turns firmly behind a stable front foot without drifting
- Thoughtful learner who asks good clarifying questions

Areas to Improve

- On the inside pitch, rotates early and hooks the ball or hits it on the ground instead of staying through contact
- Barrel tends to dump on the first move, creating an uppercut that leads to fly balls
- Timing against faster pitching -- needs front foot down and load started earlier

Recommended Drills

- Low-and-away tee drill set out front -- stay through the ball and drive it to left-center
- Same setup on the inside pitch with a ride-the-white-line cue -- keep hands inside the baseball and avoid pulling off
- Top-hand drill -- hands move directly to the ball as the first movement to eliminate barrel dump and promote a line-drive swing

Note from Coach Broc

Lucas, your athleticism and thoughtful approach to learning really stand out -- and your posture and lower half give you a strong foundation to build on. The adjustments above are very workable, and with focused reps you can handle more pitches and drive the ball more consistently. Thank you to the Heinz family for trusting LCB Training. We would love to keep training together -- please reach out anytime.

Between sessions, Lucas can keep developing with The Next Level Playbook and the full LCB Training online platform -- video drills, workout programs, and coaching tools built to support his progress.
